**CORRECTION OF WITHDRAWAL OF CLAIM TO SMALL ENTITY STATUS
UNDER 37 CFR 1.28(c) AND PAYMENT OF FEE DEFICIENCY**

Assistant Commissioner for Patents
Washington DC 20231

Sir:

On July 19, 2002 the undersigned attorney filed by facsimile a "Withdrawal of Claims to Small Entity Status under 37 CFR 1.28(c) and Payment of Fee Deficiency" in connection with the above application. On the second page of this document was set out a Table which purported to itemize the deficiencies in the fees previously paid. Unfortunately, there was an arithmetic mistake in this Table; the total deficiency was shown as \$1287, when it should have been \$1657, and the Fee Transmittal (Form PTO/SB/17) filed with the Withdrawal only authorized the payment of a fee deficiency in the amount of \$1287.

The undersigned attorney would apologize for these errors in the earlier documents, and to correct the record sets out below a corrected version of the earlier Table. Also filed herewith is an additional Fee Transmittal (Form PTO/SB/17) authorizing charging the assignee's Deposit Account with the additional sum of \$370 which, together with the earlier authorization to charge \$1287, completes the payment of the fee deficiency for this application.

CORRECTED TABLE

Type of fee	Fee code	Large entity fee payable	Small entity paid	Deficiency
Utility filing fee	201	740	370	370
Fee for claims over 20	203	2070	1035	1035
Fee for independent claims over 3	202	504	252	252
TOTAL DEFICIENCY				\$1657

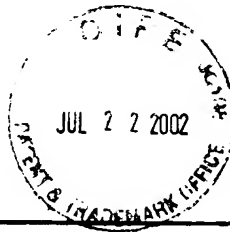

As a result of the foregoing itemization of the fee deficiency, it is believed that payment of the processing fee set forth in 37 CFR 1.17(i) is not required. If, however, this processing fee is determined to be payable, the Office is hereby authorized to charge this processing fee to Deposit Account No. 501162.

**WITHDRAWAL OF CLAIM TO SMALL ENTITY STATUS
UNDER 37 CFR 1.28(c) AND PAYMENT OF FEE DEFICIENCY**

Assistant Commissioner for Patents
Washington DC 20231

Sir:

The above application was filed on May 15, 2002 and the filing fees were paid in the amount appropriate for a small entity, thereby effecting a claim to small entity status under 37 CFR 1.27(c)(3). This claim to small entity status was made by the undersigned attorney in good faith, since the undersigned was aware that the beneficial owner of the application, E Ink Corporation, did, and still does, qualify as a small entity as a small business. Furthermore, at the time this application was filed, the undersigned was not aware of any interest in this application owned by any entity which did not qualify as a small entity.

However, since this application was filed, the undersigned has become aware that, prior to the filing of this application, E Ink Corporation had entered into a license agreement with a corporation which, at all relevant times, did not qualify as a small entity. Accordingly, the undersigned attorney hereby acknowledges that the aforementioned claim to small entity status was made in error and withdraws the claim to small entity status pursuant to 37 CFR 1.28(c). As a result of this withdrawal of the claim to small entity status, there is a deficiency in the fees paid, as follows:

Fee for independent claims over 3	202	504	252	252
TOTAL DEFICIENCY				\$1287

A Fee Transmittal Form (Form PTO/SB/17) authorizing charging of this fee deficiency to E Ink's Deposit Account No. 501162 is enclosed.

As a result of the foregoing itemization of the fee deficiency, it is believed that payment of the processing fee set forth in 37 CFR 1.17(i) is not required. If, however, this processing fee is determined to be payable, the Office is hereby authorized to charge this processing fee to Deposit Account No. 501162.
